**MODERNE SLATE ROOF SYSTEMS
BY TRACC
Limited 50 year warranty**

Moderne Slate roofing shingles are warranted by TRACC for a period of 50 years from date of installation at _____; when installed by a certified installer, in accordance with TRACC's installation instructions, will be free of defects in material and workmanship.

This limited warranty will only be effective after the purchaser has completed the warranty registration card and mailed it to TRACC, 149 Industrial Park Road, Minto, New Brunswick, E4B 3A6, within 30 days of installation.

TRACC shall not be liable for and this limited warranty does not apply or extend to any failure, defect or damage arising from or connected with, without limitation, neglect, misuse, application of paint, coatings, solvents or cleaners, faulty or improper installation, owner failure to provide reasonable necessary maintenance to prevent an accumulation of staining or mildew, surface dirt, consequential, incidental or special damages of any kind whatsoever, including damage to the interior or exterior of any building or to any property contained in or near it, defect, failure or damages to surfaces or structures to which the shingles are applied arising from settling, distortion, movement, or cracking thereof, earthquakes, hurricanes, tornadoes, cyclones, gales, lightening, hail, fires, floods and all Acts of God, accidental or intentional damage, vandalism and all other causes beyond the control of TRACC.

Color change to shingles due to the normal weathering is excluded from this limited warranty. Non-uniform color change as a result of equal exposure to sunlight is covered under this warranty. Normal weathering is defined as exposure to ultraviolet (sun) light, and extremes of weather and atmosphere which will cause any colored or painted surface to fade, lighten, chalk, or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of the property and other local conditions over which TRACC has no control.

This limited warranty may be transferred to the first subsequent owner of the property by the original purchaser, provided TRACC receives written notice, on the form attached hereto, together with a bank draft or money order in the sum of One Hundred (\$100.00) Dollars, in currency of the United States of America, within 30 days after the date of transfer of the property. Failure to do so shall result in termination of any obligations on the part of TRACC with respect to this limited warranty.

Should you feel that the shingles contain manufacturing defects, please write to TRACC, at 149 Industrial Park Road, Minto, New Brunswick, E4B - 3A6. Describe the claimed defect and provide proof of ownership of the property. Do not undertake repairs without receiving advice from TRACC as improper repair work may aggravate the problem. Upon receipt of your letter, TRACC will notify you of the evidence you will need to support your claim. Should TRACC determine that your claim is valid, TRACC at its sole option will:

1. Repair or arrange for the repair of the defective shingles; or
2. Provide replacement shingles for the defective shingles or part thereof; or
3. Provide a refund during the first eight (8) years after the shingles were purchased. The refund will equal the original purchase price of the shingles as evidenced by valid receipt or as estimated by TRACC. During the next forty two (42) years the refund will equal the original purchase price, less 18% of the original price, commencing with the ninth (9th) year after the Purchase Date and an additional 2% for each year thereafter.

TRACC will not in any event refund or pay any costs in connection with accessory materials or labor, such as for flashings, vents, underlayment, interlayment, sheathing, fasteners, framing or any other costs. Nor will the amount of any refund be based on any amount other than the Purchase Price, regardless of whether TRACC has previously provided replacement shingles, or any other event. In no event shall TRACC be liable for labour costs.

TRACC reserves the right to discontinue or change its shingles, including colors, shapes, designs or style without giving notice to the original Purchaser or subsequent owner. Should a product covered by this limited warranty be unavailable, TRACC reserves the right to substitute a product that is of equal quality or price, according to TRACC's sole discretion.

This warranty is given in lieu of all other warranties, liabilities or obligations of TRACC, either expressed or implied, except that the duration of any implied warranties of merchantability and fitness for a particular purchase are limited in time to the duration of this warranty. TRACC shall in no event be liable for consequential or incidental or special damages of any kind for breach of any express, written or oral or implied warranty on shingles. Your exclusive remedy shall be enforcement of this warranty upon the terms and conditions herein contained. No representative of TRACC or its distributors or dealers is authorized to make any change or modification to this warranty.
